

Archived standards

These standards have been archived as they no longer apply and may be superseded by other documents.

[RFS23 - Specification for Radio Apparatus: Citizen Radio Service](#)

Standard: RFS23 - Specification for Radio Apparatus: Citizen Radio Service

[RFS25 - Specification for Radio Apparatus: VHF and UHF Land Mobile Service](#)

Standard: RFS25 - Specification for Radio Apparatus: VHF and UHF Land Mobile Service using angle modulation with 25kHz carrier frequency separation and a maximum deviation of ± 5 kHz

[RFS26 - Specification for Radio Apparatus: VHF and UHF Land Mobile Service](#)

Standard: RFS26 - Specification for Radio Apparatus: VHF and UHF land mobile service using angle modulation with 12.5 kHz carrier frequency separation and a maximum deviation of ± 2.5 kHz

[RFS28 - Specification for Radio Apparatus: Radio Paging](#)

Standard: RFS28 - Specification for Radio Apparatus: Radio Paging

[RFS30 - Specification for Radio Apparatus: Cordless Telephones](#)

Standard: RFS30 - Specification for Radio Apparatus: Cordless Telephones

[RFS31 - Specification for Radio Apparatus: Non-speech Apparatus](#)

Standard: RFS31 - Specification for Radio Apparatus: Non-speech Apparatus using angle modulation with 25 kHz carrier frequency separation and a maximum deviation of ± 5 kHz

[RFS39 - Specification for Radio Apparatus: Personal Radio Service](#)

Standard: RFS39 - Specification for Radio Apparatus: Personal Radio Service
