

Radio Frequency Tender Number 6A

Extract from NZ Gazette, 11 January 1996, No 1, p. 44

Radio Frequency Tender Number 6A

AM and FM Sound Broadcasting Licences

The following is a list of all bids made in respect of the radio frequency lots offered for sale by recent tender. The available lots were divided into three groups (A, B and C) as shown below, and tendered in successive weeks during October 1995. Group A lots were tendered on 2-3 October, Group B lots on the 9-10 October, and Group C lots on 16-17 October.

The list below shows, in respect of each lot, the highest bid made by each participant. For all lots, the highest bid received was declared the winning bid. All bid values shown exclude GST.
